

Subject: Sponsorship Opportunity – Supporting Veterans through Boxing

On behalf of I Coach & Teach Boxing Empowerment Inc., I am reaching out to share an impactful opportunity for you to make a significant difference in the lives of veterans within our community. As an organization dedicated to the empowerment and rehabilitation of veterans through sports, we are excited to introduce our “Veterans Victory Program: Boxing Towards Resilience,” an innovative 8-week course designed specifically for veterans.

The Context in North Carolina:

North Carolina is proud to be home to over 650,000 veterans, many of whom face challenges transitioning back to civilian life. Issues such as PTSD, social isolation, and physical injuries are prevalent among our veterans. Our program aims to address these issues head-on, offering not just physical training but a comprehensive support system to aid in their recovery and reintegration.

About the Program:

The “Veterans Victory Program” provides a structured environment where veterans can learn boxing as a form of physical exercise and mental discipline. This program is about more than just physical fitness; it integrates aspects of mental health support, community building, and personal development, all crucial for the well-being of our veterans.

Sponsorship Details:

To support a veteran in this program, we are seeking sponsorships of \$640 per participant for the full 8 weeks, which equates to \$80 per week. Your sponsorship will cover:

- **\$35 per week** for specialized curriculum development and educational supplies tailored to the needs of veterans.
- **\$20 per week** for high-quality boxing equipment and gym maintenance to ensure a safe and effective training environment.
- **\$15 per week** for personalized shirts and gear, fostering a sense of identity and belonging within the program.
- **\$10 per week** for empowerment trophies and awards, which are vital for acknowledging their hard work and progress, boosting morale and motivation.

Why Sponsor a Veteran?

Your sponsorship helps provide veterans with a valuable outlet for stress relief, physical health, and emotional connection. Programs like ours have demonstrated significant benefits in enhancing the mental health and overall quality of life for veterans, which is critical to their successful reintegration into civilian life.

Join Us:

We invite you to become a part of this noble cause. By sponsoring one or more veterans, you contribute not only to their personal growth but also to the broader mission of supporting our nation's heroes in meaningful ways. Together, we can ensure that our veterans receive the respect, care, and support they deserve.

Please find enclosed detailed information about the program and testimonials from participants. We hope you consider supporting this transformative program. Should you have any questions or need further information, please do not hesitate to contact me directly at [Your Contact Information].

Thank you for considering this opportunity to make a real difference. We look forward to the possibility of partnering with you in this endeavor.

Warm regards,
